Spec Sheet

6 ft 90° Down Angled High Speed HDMI® Cable - Ultra HD 4k x 2k HDMI Cable - HDMI to HDMI M/M

StarTech ID: HDMMD6

The HDMMD6 90-degree Down-Angled HDMI® Cable is designed to provide crystal clear image resolution and is specifically constructed to fit into tight installation spaces.

This high quality cable features a 90° down-angled plug, which requires only 34mm (1.27”) of space to make an HDMI video connection.

The design of the downward angle cable connector helps prevent damage to the cable and ensures long-lasting performance by eliminating the need to bend or strain the cable to account for a lack of space.

This high quality HDMI cable fully supports 1080p+ resolutions at up to 120Hz refresh rate, with life-like color. To accommodate the demands of future high definition devices, such as increased resolutions and higher frame rates, this Ultra HD cable supports resolutions up to 4k x 2k.

The HDMMD6 6ft HDMI cable is backed by StarTech.com's Lifetime Warranty.

Applications

- Making HDMI® connections in tight install spaces
- Digital Signage
- A single-cable solution for quickly connecting your HDMI-capable A/V devices

Features

- 90° Downward Angled connector with a 34mm depth
- Supports Ultra HD Resolutions up to 4k x 2k
